

The Future of Industrial Treated Products

38th Annual Meeting

CANADIAN WOOD PRESERVATION ASSOCIATION

October 25th and 26th 2017 | Holiday Inn | Toronto International Airport

Plan to Participate With Your Peers

Anticipating our biggest meeting ever, join with as many as a hundred peers from the around the wood preservation industry. We will have speakers, guests and networking with academia, government, associations, suppliers, producers, users, distributors, consultants and allied industries. The session will focus on all aspects of what the future of industrial preserved wood products will look like in Canada.

The conference will be held consecutively with the meetings of Wood Preservation Canada (for members) and CSA A366 Committee of Wood Preservation (for committee members).

Accommodations & Registration

The Holiday Inn Toronto International Airport (YYZ) will offer a special rate at \$129 per night, CAD (plus taxes). Make reservations ASAP by calling 416-674-4343 or by email to reservations@yyzia.com. Make sure to tell the hotel you are part of the CWPA to get the rate. The special rate will be available until Sept. 22, 2017.

Meeting registration and a link to make hotel reservations online will be available on our website www.cwpa.ca/meetings/. For more information email info@cwpa.ca.

2016 CWPA Proceedings Vancouver, BC

Keynote

Scott Rennecker (UBC)	Overview of new biomaterials
-----------------------	-------------------------------------

Symposium

Protection of new biomaterials

David Fell (FPI)	Markets and the bioeconomy
Wadood Hamad (FPI)	Cellulosic biomaterials
Martin Feng (FPI)	Lignin-based products

Other Speakers

Jeff Morrell	Decay/termite resistance of coatings
John Boys (Nicola Log Works)	Protecting mass timber buildings
Michael Wilkinson (RDH)	Deck design to diminish decay
Jim Briant (Nisus)	Copper naphthenate
Mark Manning (RTM)	Dual treatments for railroad ties
Dallin Brooks (WWPI)	Revised aquatic assessment tool
Rod Stirling (FPI)	Carbon-based preservatives for ground contact
Adnan Uzunovic (FPI)	Evaluation of mould protectants ± condensation
Jong-Bum Ra Gyeongnam U.	ACQ+CA-treated hemlock and spruce in Korea
Paul Morris (FPI)	Field testing in Canada – engineered wood products
Phil Evans (UBC)	Surface protection
Jun Zhang	Release of copper particles from MC
Antoine Cogulet	Degradation of wood beneath coatings
