

CSIRO

**DIVISION OF FOREST PRODUCTS
SOUTH MELBOURNE**

ASSISTANT ENTOMOLOGIST

GENERAL: A Technical Assistant is required by the Division of Forest Products initially for a period of 12 months, with review at that time.

DUTIES: To assist in a programme of entomological work involving laboratory and field studies with termites and wood-boring beetles.

QUALIFICATIONS: The minimum qualification is the satisfactory completion of at least five years of secondary schooling. A knowledge and training in entomology/biology zoology, coupled with a capacity for adaptability and inventiveness is required. Consideration will be given to applicants with practical experience in the control and identification of wood-boring insects.

SALARY: Technical Assistant Grade 1, \$3497-\$3783 p.a. (male); \$3322-\$3549 p.a. (female); Grade 2, \$3960-\$4538 p.a. (male), \$3762-\$4311 p.a. (female). Junior rates according to age.

Applications, quoting reference number 5/8, should reach:

**The Chief,
Division of Forest Products, CSIRO,
P.O. Box 310,
SOUTH MELBOURNE, VIC., 3205.
by 31st May, 1971.**
