

Department of Forest, Rangeland and Fire Sciences

College of Natural Resources

TWO Postdoctoral Scholar Positions Available in Green Building Material Protection

What are We Looking for?

TWO Postdoctoral Scholar positions are available at the Department of Forest, Rangeland and Fire Sciences, College of Natural Resources, University of Idaho (U of I, Moscow, Idaho)

Successful candidates will be involved in **USDA NIFA, and U of I funded** projects that aims to 1) improve the durability (e.g., fungi, fire, weathering) of wood products using biobased solutions; 2) mycelium based composites. The research projects are a highly interdisciplinary and we expect the candidates 1) hold a Ph.D. degree related to the proposed topics of the study, preferably in wood science/products, agricultural/biological engineering, chemical engineering, materials science & engineering, chemistry, or closely related disciplines; 2) highly motivated and competitive with strong writing and communication skills; 3) work in a collaborative environment. Preferred qualifications: considerations will be given to those who has strong experiences in wood protection, microbiology fields or mycelium composites. The target starting date is in the **Fall semester 2024.**

What Will We Provide?

We will support funding, which will include competitive salary, health insurance, professional training and much more for each postdoc position for two years, contingent on performance and funding.

How to Apply

- Review of the applications will begin immediately and continue until the positions are filled.
- To apply, please send 1) a cover letter, 2) resume/CV, 3) Proof of Degree (transcript or diploma) and 3) contact information of three professional references by email as a single PDF file with a title of "**Postdoc application _Fall 2024 & your last name**" to **Dr. Lili Cai** (lcai@uidaho.edu). **Only those selected for an interview will be contacted.**
- Additional information can be found on the (<https://www.uidaho.edu/human-resources/managers/recruitment/postdoc>)
