

APPENDIX

LIST OF TECHNICAL DOCUMENTS ISSUED BY THE IRG SECRETARIAT DURING THE YEAR
UNDER REVIEW

WORKING GROUP I

- Monographic Information on *Lentinus lepideus* (A revision of Document No: IRG/WP/115), by Günther Seehann and Walter Liese (September 1973). IRG/WP/121
- Corrigendum to Document No: IRG/WP/121, by Günther Seehann and Walter Liese (10.5.74) IRG/WP/122
- Draft of a Monographic Card for "Pole Fungus A", by L Harmsen (May 1974) IRG/WP/124
- Sapwood Staining Fungi, by Aino Käärrik (15.5.74) IRG/WP/125
- A method of isolating Actinomycetes from decayed wood, by Takafusa Haraguchi (22.5.74) IRG/WP/126
- Investigations on the life cycle and nutrition of *Crioccephalus rusticus* L, by H Kühne (30.5.74) IRG/WP/127
- The more important wood-destroying insects found in buildings in Poland, by J Dominik, J Ważny and M Czajnik (18.6.74) IRG/WP/128

WORKING GROUP II

- Collaborative Soft Rot Tests. Specific Gravity Loss Resulting from Soft Rot, by Colin R Levy (September 1973) IRG/WP/227
- A Rearing Procedure for the House Longhorn Beetle *Hylotrupes bajulus* L, by R W Berry (Reprint from Int Biodetn Bull 8(4) 141-144, 1973) IRG/WP/228
- Collaborative Soft Rot Tests. Programme and Test Method, by J G Savory and J K Carey (October 1973) IRG/WP/229
- Evaluation of the protective effect of some wood preservatives by means of accelerated tests, by I A Petrenko, (Library Translation 1744 from Russian, February 1973) IRG/WP/232
- Some Aspects of Laboratory and Field Testing Methods of Anti-termite Wood Preservatives, by M Fougerousse, (Reprint from Holzforschung, August 1973) IRG/WP/235
- Volatile Losses of Wood Preservatives, by J W W Morgan and D F Purslow. (BWPA Annual Convention Reprint July 1973) IRG/WP/236
- Studies on the Preservation of Structural Plywood - I Decay Resistance of Structural Plywood, by Kyoji Minami, Yoshihisa Kenjo and Shingo Sugiyama, Summary translated from Japanese 'The Wood Industry'. (February 1974) IRG/WP/238

WORKING GROUP III

- The Association of Bacteria with the Increased Permeability of Water-stored Spruce Wood, by J A Dunleavy, J P Moroney and S E Rossell, (BWPA Annual Convention Reprint July 1973) IRG/WP/325
- The Use of Spruce for Transmission Poles, by J A Dunleavy, D J Balfe and J P Prendergast (BWPA Annual Convention Reprint July 1973) IRG/WP/326
- Treatability of water-stored poles of Norway spruce by sap-displacement and pressure treatment with Boliden K33 and creosote (Summary in English from Dansk Skouforenings Tidsskrift, 1972 57 (12):279-303) by P Moltesen, E Borsholt and B Bang (December 1973) IRG/WP/328
- Interim Report on World Survey of Sap-Displacement Impregnation of Timber, by F B Shorland and C G W Mason (13.5.74) IRG/WP/329
- Soft-rot Problems with Treated Hardwoods: A Paper for Discussion and Establishment of a Programme of Work, by D J Dickinson (June 1974) IRG/WP/331
- Kinetics and Mechanism of Fixation of Cu-Cr-As Wood Preservatives, IV Conversion Reactions during Storage by S E Dahlgren (Reprint from *Holzforschung*, April 1974) IRG/WP/332
- New Developments in Wood Preservation, by B A Richardson (11.7.74) IRG/WP/335

MARINE GROUP (Joint IRG/COIPM Working Group)

- The Status of Marine Wood Preservation Research in Papua New Guinea, by Suzanne Rayner (June 1973) IRG/WP/405
- An Interim Report on Trials with "Boliden K33" and "Celcure A" in water of different salinities in the Baltic sea and in the UK, by R A Eaton and D J Dickinson, (17.6.74) IRG/WP/406

OTHER DOCUMENTS

- Questionnaire on the state of pollution control in the field of wood preservation, by H Willeitner (March 1974) IRG/WP/52
- Safety Technique in Wood Preservation, by S N Gorshin, I G Krapivina and B I Telryatnikova (Library Translation No 1846, from Russian, May 1974) IRG/WP/54
- Pollution in Wood Preservation - Aspects and Problems, by H Willeitner (IUFRO Division V Paper, September 1973) IRG/WP/55
- Health and Safety Aspects of the Use of Wood Preservatives. Preliminary Evaluation of the Answers to the IRG-Questionnaire on the State of Pollution Control in the Field of Wood Preservation, by H Willeitner (June 1974) IRG/WP/56
- Information on a Project about the Conditions of Admissibility of Wood-Protecting Agents in Connection with Environmental Protection in Poland, by J Ważny (20.6.74) IRG/WP/57
- The Fourth Annual Report 1972-1973 (August 1973) IRG/WP/522
- List of Members (1.1.74) IRG/WP/524
