

## APPENDIX

### LIST OF TECHNICAL DOCUMENTS ISSUED BY THE IRG SECRETARIAT DURING THE YEAR UNDER REVIEW

#### WORKING GROUP I

- List of fungi in soft-rot tests, by G Seeham, W Liese and B Kess. (March 1975) IRG/WP/105
- Monographie de Schizophyllum commune, by D Dirol and M Fougereuse. (in French) (21.4.1975) IRG/WP/118
- Monographic Information on Schizophyllum commune, by D Dirol and M Fougereuse. (English version of IRG/WP/118) (22.4.1975) IRG/WP/118E
- Monographic card for Gloeophyllum sepiarium (Wulf ex Fr.) Karst. (First Draft), by T Hof. (1.3.1975) IRG/WP/131
- Monographic Information on Serpula (Merulius) lacrymans (Schum. ex Fr.) S F Gray according to the "Model Questionnaire for Preparation of Monographic Cards for Wood-Destroying Fungi" (A revision of Document No: IRG/WP/108), by J Segmüller and O Wälchli. (19.3.1975) IRG/WP/133
- On the species problem, in Nicobium castaneum (Col., Anobiidae), by S Cymorek. (7.4.1975) IRG/WP/134
- Biological Control of Decay, by J Ricard (14.4.1975) IRG/WP/135
- First Draft of a Monographic Card for Daedalea quercina (L) ex Fr., by J Waśny and J Brodziak (26.5.1975) IRG/WP/136
- First Draft of a Monographic Card for Peniophora gigantea (Fr) Mass., by J Waśny and A Grzywacz (26.5.1975) IRG/WP/137

WORKING GROUP II

- Assessment of the toxicity of some copper, zinc, and boron based wood preservatives to the cellar fungus, by V N Sozohova and D A Belenkov. (Library translation 1814, from the Russian). (February 1974). IRG/WP/242
- Unsuitability of the limiting dose as a criterion for assessing the toxicity of preservatives to wood destroying fungi, by D A Belenkov. (Library translation 1815, from the Russian). (February 1974). IRG/WP/243
- On the use of probit-analysis for assessing the toxicity of wood preservatives, by D A belenkov. (Library translation 1816, from the Russian). (February 1974). IRG/WP/244
- Report on the co-operative leaching tests by J W W Morgan. (February 1975). IRG/WP/246
- Evaluating the performance of wood preservatives against fungi, by R Cockcroft (Reprint from Journal of the Institute of Wood Science, December 1974). IRG/WP/247
- Collaborative Tests on the Influence of Solvent and Drying Method on the Toxic Limit of Wood Preservatives against Basidiomycetes, by T Hof. (Reprint from Nat und Org 9 (4) 1974). IRG/WP/248
- Respiration methods used to follow the decay of wood and the toxicometric evaluation of wood preservatives, by R S Smith (17.3.1975). IRG/WP/249
- Development of a Method for Testing Wood Preservatives with Soft Rot Fungi, by M Gersonde and W Kerner-Gang. (18.3.1975). IRG/WP/250
- Collaborative Soft Rot Experiments 1974. Preliminary Analysis of Results, by J K Carey and J G Savory (2.4.1975). IRG/WP/251
- Factors affecting the resistance of fibre building boards to fungal attack, by C Grant and J G Savory (8.4.1975). IRG/WP/252
- Whitewood - An external joinery timber? by J W W Morgan (BRE Information Sheet IS 1/75) (March 1975). IRG/WP/253
- Performance of preservative-treated wood not in ground contact, by J K Shields and J Krzyzewski (15.4.1975) IRG/WP/254
- Fungi Used in Standard Tests on the Toxicity Value of Wood Preservatives in Various European Countries, by J Wałny. (8.5.1975). IRG/WP/255

### WORKING GROUP III

- Essais Biologiques sur Poteaux Traites a la Wolmanit C B suivant le procede Boucherie modifié, by D Lapetite, C Jacquot and J Campredon. (in French) (October 1974). IRG/WP/336
- Examen Chimique du Traitement de Poteaux Effectue a St-Michel s/Meurthe, by J Guillemain and C Jacquot (in French) (October 1974). IRG/WP/337
- Traitement de Poteaux au moyen de Solutions de Wolmanit C B, by J Guillemain-Thévenot and C Jacquot. (In French). IRG/WP/338
- Essais Mycologiques sur Poteaux Traites a la Wolmanit C B, by D Ollier and C Jacquot (in French) (October 1974). IRG/WP/339
- Proposals for a field experiment to determine the performance of preservative treated hardwoods with particular reference to soft-rot, by D J Dickinson. (21.2.1975). IRG/WP/342
- Final Report on World Survey of Sap Displacement Impregnation of Timber. by F B Shorland and C G W Mason. (10.4.1975). IRG/WP/345
- Chlorodioxines dans le pentachlorophenol, by H Alliot (in French) (17.3.1975). IRG/WP/3466
- Chlorodioxines in Pentachlorophenol, by H Alliot. (English Translation of IRG/WP/346). (14.4.1975). IRG/WP/346E
- Commercial potential of the four-cycle method for the impregnation of green beech sleepers in Yugoslavia, by N Vidović. (20.3.1975). IRG/WP/347
- Status of the research and development of a new preservative system (EFPL) for pressure treatment of spruce in Canada, by J Rak and M R Clarke. (14.4.1975). IRG/WP/348
- Survey of conditioning treatment practices in the Philippines, by R F Casin. (11.4.1975). IRG/WP/349
- Uptake by grape plants of preservatives from pressure-treated wood not detected, by M P Levi, D Huisingh and W B Nesbitt. (Reprint from Forest Products Journal, 24 (19) 97-98, September 1974). IRG/WP/350
- Application of (h -  $\alpha$ ) - radiography for determination of boron-containing antiseption, by N A Dubinskaya and M Ya Tsel'millebe. (Translated from the Russian from Journal of the Academy of Sciences of the Latvian SSR. Physical and technical sciences series. 1973, No 6, 3-10). (May, 1975). IRG/WP/351

- Impregnation de bois ronds par déplacement de sève à Madagascar, by M Fougereusse and P Gueneau. (in French) (14.5.1975). IRG/WP/352
- Health and Safety Aspects of the Use of Wood Preservatives. Supplement to Document No: IRG/WP/56, by H Willeitner. (12.5.1975). IRG/WP/356

**MARINE GROUP (Joint IRG/COIPM Working Group)**

- Proposed test procedure to determine the effect of timber substrate on the effectiveness of a copper/chrome/arsenic preservative in sea water, by R A Eaton. (10.4.1975). IRG/WP/411
- Description of a trial with wood preservatives against marine wood boring organisms, by E Norman and B Hemmingsson. (29.5.1975). IRG/WP/412

**OTHER DOCUMENTS**

- The Fifth Annual Report of the International Research Group on Wood Preservation, by R Cockcroft. (August 1974) IRG/WP/531
- List of Members. (1.11.1974). IRG/WP/533
- Report on the Organisation of Future IRG Meetings, by R Cockcroft. (April 1975). IRG/WP/63
